DETAILED ACTION

Examiner's amendment

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Joanna Masson on October 10, 2005.

The application has been amended as follows:

In claim 1, line 3, delete the phrase "unit rotatably" has been replaced with --unit separate from the body and rotatably--

In claim 1, line 4, delete the phrase "a display unit rotatably" has been replaced with --a display unit separate from the main body and the power supply unit, wherein the display unit is rotatably connected to the first side of the body--

In claim 18, line 3, delete the phrase "a power supply unit connected to the main body" has been replaced with --a power supply unit separate from the main body and connected to a first side of the main body--

In claim 18, line 4, delete the phrase "a display unit connected to the main body, wherein" has been replaced with --a display unit separate from the main body and the power supply unit, wherein the display unit is connected to the first side of the main body, and wherein --

Allowable Subject Matter

Claims 1-7, 18 and 21-32 are allowed.

The following is an examiner's statement of reasons for allowance:

Regarding independent claim 1, the prior arts fail to teach "a power supply unit separate from the body and rotatably connected to a first side of the body", as cited in the claim.

Regarding independent claim 18, the prior arts fail to teach "a display unit separate from the main body and connected to a first side of the main body", as cited in the claim.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Tu Nguyen whose telephone number is 571-272-7883.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Edward Urban, can be reached at (571) 272-7899. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.
